PUBLIC RELATIONS
&
SPECIAL SERVICES

CORONAVIRUS PANDEMIC:

2020 was a very challenging year for everyone and the Jamestown Police Department was no exception to those challenges. The coronavirus (Covid-19) pandemic required many procedural changes to ensure everyone's health and well-being. Precautions were taken to maintain community safety by minimizing direct contact with the public, to help lessen possible exposure to this deadly virus. Personal protective equipment and social distancing were required for much of the year. Calls for service were handled over the phone or outside in the open air, rather than within the department or in homes and businesses. Travel was restricted for officers. Law enforcement trainings were postponed or conducted virtually unless they were required for a license or certification.

A societal change was also noticed, as there was less interaction between community members. Many citizens were not as active within our community, as in other years. With less events being held, and some businesses being opened for shorter times, there were less calls for service and other incidents that normally would require law enforcement intervention. As this annual report will show, Officers were tasked with other types of enforcement duties related to the pandemic.

Due to the pandemic, the Jamestown Police Department was also not able to sponsor and hold the Citizen's Police Academy or the National Night Out block party for our community.
With all these challenges, the entire staff at the Jamestown Police Department looks forward to 2021 and the end of this pandemic.

PUBLIC RELATIONS:

Identity theft and scam education continue to be very popular and requested classes are given by the Detective Division of the Jamestown Police Department.

Other presentations were given to various groups covering traffic laws, domestic violence, duties of police officer, sexual assault or other police related topics as requested. At the Jamestown Police Department, we feel it is necessary to be involved with the community and interact with them and we will continue to do that. Due to the COVID-19 pandemic, all presentations were discontinued around April 1st, 2020 until deemed safe once again.

The Jamestown Police Department's Facebook page is used to make public service announcements, offer crime prevention tips and as a public relations tool to make people aware of the programs and activities that the Police Department and/or officers are involved in. Our Facebook again showed an increase in the number of people reached with 138,496 people reached in 2020 compared to 109,111 in 2019. Our page was shared 2,402 times and our page likes decreased from 3,103 in 2019 to 2,224 in 2020. The number of people following our page has again increased from 3,331 in 2019 to 4,284 in 2020. With steadily increasing numbers, it is apparent that our Facebook page has become an excellent tool for interacting with the citizens of Jamestown.

Police Department tours offer the opportunity to become informed on the operation of the Jamestown Police Department, Stutsman County Communications Center and the Stutsman County Correctional Center. All tours of the Law Enforcement Center were discontinued due to the COVID-19 pandemic effective March 19th, 2020.

GAMING ENFORCEMENT:

The department's gaming enforcement program works towards the goal of ensuring that those who conduct or play the games of chance in Jamestown are protected by the state gaming rules. To accomplish these goals, the Jamestown Police Department, working with the ND State Gaming Office, review complaints of gaming violations.

BICYCLES:

In 2020 there were a total of 9 bicycle licenses sold. There were 20 bikes reported stolen with a total of 45 abandoned or stolen bikes recovered in 2020.

2020 Canine Year End Report

The Jamestown Police Department K9 Team is comprised of myself and K9 Odin. The K9 team responded to 24 calls for service (CFS) this year assisting several agencies to include: North Dakota Highway Patrol and the Task Force.

The K9 Team responds to assist in narcotics sniffs (on vehicles and residences) or in the patrol aspect (i.e. burglar alarms, to locate subject who are wanted).

The K9 Team had numerous callouts this past year. The K9 Team has played a big role with the Special Operations Team (SOT) where The K9 Team can be used as another tool to assist in locating subjects inside a residence. The K9 Team has also assisted other facilities such as the James River Correctional Center (JRCC), Stutsman County Correctional Center (SCCC), and the Jamestown Public Schools for narcotics sniffs inside the facilities.

The K9 team is always ready to assist with the Special Operations Team, but depending on the call, we may not be utilized. This past year, the team was not utilized in SOT Callouts, but we continue to train with the team so the K9 team is prepared and the team members are used to having the K9 on a call if needed.

Due to the year it has been with COVID-19, we didn't respond to assist JRCC or SCCC as much this year as we usually do. This reflects in the number of calls that we have been asked to assist on.

Every year the K9 Team needs to be certified and is currently certified through the National Police Canine Association (NPCA). The K9 Team is certified in Narcotics Detection (Methamphetamine, Marijuana, Cocaine, and Heroin), and Patrol (Obedience, recalling, apprehension, and a verbal release after an apprehension).

The K9 Team is continually training to better serve.

Andrew Stoen / K9 Odin

2020 Annual Report

The Jamestown Special Operations Team (JSOT) is a combined agency Special Operations Team that has members from the Jamestown Police Department, Stutsman County Sheriff's Office, Valley City Police Department, and Barnes County Sheriff's Office, and Barnes County Ambulance Service. 2020 saw multiple personnel changes on the team. Officer Raymond Mosley resigned from the Jamestown Police Department and Deputy Josh Magnsuon resigned from the Barnes County Sheriff's Department. Dr. Steve Inglish was brought onto the team in late 2019 and completed SWAT Basic in 2020 to fulfill a highly sought after position of team Doctor. Jamestown Police Department Officers Dan Ohde, Cory Beckman, and Joe Gushwa were selected for spots on JSOT as well. This brought team membership to JPD with 9 officers, K9 Odin, and 1 administrative assistant, SCSO with 3 deputies, BCSO with 1 deputy, and VCPD with 1 officer. JSOT continues to utilize trained CNT negotiators from JRCC under the direction of Captain Brian Dreher. The tactical medical team consists of Dr. Inglish and 2 Barnes County Ambulance Paramedics.

The team is currently comprised of 15 officers, K9 Odin, and 3 medical staff who are trained in special weapons and tactics to include: command and leadership, entry tactics, CQB, sniper, chemical munitions, impact munitions, breaching, armored vehicle operations, tactical medical, hostage rescue, K9 tracking and apprehension, and Tactical Combat Casualty Care.

Each year JSOT strives to provide quality training to its members. The team completed annual minimum training hours to remain a certified SWAT team set forth by the ND Special Operations Committee. New team members were unable to complete SWAT Basic Training and the team was unable to travel to advanced training due to concerns and limitations due to the COVID-19 pandemic.

In 2020 we conducted a successful high risk arrest warrant of a subject wanted for an aggravated domestic assault. We also conducted a wide area fugitive search of 2 subjects who fled from law enforcement in a vehicle and then on foot. Both operations resulted in arrests of the suspects.

JSOT has added specialized equipment to further increase officer safety and increase our mission capabilities. JSOT has implemented a smaller tactical robot that can be thrown by hand and controlled by a single team member. JSOT has added UAS capabilities to assist in locating suspects or identifying barriers that would present unique challenges to the team. The team has also began utilizing a restraint system that is designed to reduce in custody medical issues caused by other restraint techniques.

JSOT members continue to reinstruct important topics to the patrol level personnel to better prepare officers for the increased demand put on them as the first responders to dangerous situations. JSOT members instruct the following: firearms, less lethal impact munitions, tactical medical, breaching, CQB, and defensive tactics.

JSOT will continue to provide a well trained and dedicated group of officers to the region to respond to incidents that require specialized training and personnel.

Team Commander

STUTSMAN COUNTY NARCOTICS TASK FORCE
YEAR END REPORT 2020

The Stutsman County Narcotics Task Force is a multi-jurisdictional and multi-agency Task Force covering the counties of Stutsman, Barnes, LaMoure, Eddy, and Foster. The Stutsman County Narcotics Task Force is dedicated to the identification, investigation, and prosecution of the individuals involved in the use, manufacturing, and distribution of controlled substances.

The Stutsman County Narcotics Task Force is made up of four (4) sworn Law Enforcement Officers. Deputy John Hirchert, with the Stutsman County Sheriff's Office, has been a member for five (5) years, Deputy Doug Muske, with the Stutsman County Sheriff's Office, has been a member for thirteen (13) years and is stationed in Barnes County. Special Agent Troy Kelly has been supervising the Task Force for eight (8) years. The fourth (4th) position is with the Jamestown Police Department and has been vacant since December 2018. The officers are assigned to work certain areas, but the officers have been deputized in all five (5) of the counties that are part of the Task Force and must share the responsibility for all of the counties involved.

The Task Force had a total of 51 cases in 2020, which is down by only six cases from the previous year, but with being down a member of the Task Force and the size of cases including several that are being prosecuted federally, it is on pace with the year prior. The Task Force initiated 43 cases and assisted other agencies with 8 cases. The number of initiated cases is up from last year, but the number of assist cases is down. Of the 43 initiated cases, the Task Force had 60 arrests, and many still pending, related to drug related offenses such as Possession of Controlled Substances, Possession of Drug Paraphernalia, Manufacture of a Controlled Substance, Delivery of a Controlled Substance, and Criminal Conspiracy to Deliver a Controlled Substance.

In 2020, the Task Force seized/purchased approximately 85 ounces of marijuana with an approximate street value of $38,250. This number is more than double from last year and includes edible THC and liquid THC. Along with the 85 ounces of marijuana, the Task Force seized/purchased 421 grams of concentrated THC. The Task Force has also seen a tremendous increase for THC extractions and concentrated THC cases with 421 grams being seized which is over six times what was seized the previous year.

In 2020, the Task Force seized/purchased approximately 79 ounces of methamphetamine with an approximate street value of $220,800. This number is nearly five times the amount from last year. Methamphetamine sales/distribution continues to be one of the larger problems in the area.

In 2020, the Task Force seized/purchased approximately 248 dosage units of controlled prescription drugs, LSD, and MDMA, which is double from last year.

In 2020, the Task Force seized/purchased approximately 48 grams of Psilocybin mushrooms with an approximate street value of $384. The 48 grams is nearly five times of that seized in the prior year.

In 2020, The Task Force also seized 3 grams of heroin with an approximate street value of $1,450.

Besides initiating/assisting on cases, Task Force continues to provide free teaching and training in the school systems, businesses, and special interest groups throughout the area covered by the Task Force. The Task Force also continues to maintain the prescription drug take back in the area.

In summary, in 2020 the Stutsman County Narcotics Task Force initiated/assisted 51 cases involving the seizure/purchase of marijuana, methamphetamine, MDMA, psilocybin, heroin, and prescription-controlled substances. The Task Force removed a substantial quantity of illegal narcotics, and distributors/manufacturers of those narcotics, from the streets and communities in Stutsman County, LaMoure County, Barnes County, Eddy County, and Foster County.

*Note: Several cases are still at the State Lab of Toxicology being analyzed. Actual weights would be higher. Several cases have yet to be forwarded for formal complaints. Actual arrests would be higher.

REPORT SUBMITTED BY THE STUTSMAN COUNTY NARCOTICS TASK FORCE

2020 ANIMAL CONTROL REPORT:

In 2020, there were a total of 838 calls pertaining to animals. The majority of these calls were to complain about animals at large or being a nuisance. 39 of these calls were regarding people being bitten by animals. 13 calls were to investigate cruelty to animals. These calls for service, along with routine patrol, resulted in 127 animals being impounded. These animals were handled as follows:

Animals returned to owners..... 31
Animals euthanized..... 6
Animals released to Rescue 84
Animals placed from the pound. 6

There was a total of 43 animal arrests for the year 2020.

There were 127 dog licenses and 26 cat licenses issued in 2020 as well as permits for 10 private kennels and 0 commercial kennels. The total cost of veterinary fees in 2020 was $364.50. This includes testing cost for rabies evaluation.

TOTAL FEES TURNED INTO CITY IN 2020:

DOG LICENSE FEES.. ....$3,444.00
CAT LICENSE FEES... ....$ 387.00
KENNEL PERMIT FEES..... .....$ 520.00
ANIMAL IMPOUND FEES..... .....$1,385.00

We continue to receive donations of food, treat and blankets from rescue groups. We also placed 6 feral cats through a spay and release program with James River Humane Service. These were released as farm cats to people out of the city limits. Veterinary fees included rabies testing for a ferret that was found loose inside an apartment building that turned out to be a wild weasel which several people had handled. Sedation medication was also provided for a vicious dog that was being held pending a court determination. This year animal services were reduced due to the Coronavirus pandemic.

2020 Pork Open Golf Scramble

The 2020 Pork Open Golf Scramble was held at Hillcrest Golf Course on August 15th, 2020. We had 15 teams participating this year with four players per team, equaling out to a total of 60 golfers. In 2019, we had a total of 18 teams and 72 golfers. We had fewer teams this year, but I strongly believe that was due to COVID-19 and a shorter notice due to the unknown situation. Most of the rules, regulations and prizes were the same as last year. We had Scratch and Handicap winners for both first and second place teams. “Orr”iginals donated windbreakers or sweatshirts for the first and second place teams.

In past years, we were able to use left over burgers from National Night Out and serve the food in a buffet line. Due to the pandemic in 2020, National Night Out was cancelled, so there wasn’t any food that could be used for the Pork Open. We were also unable to serve food in a buffet style, as everyone would be touching the same utensils and there wasn’t enough help to serve the food. I had several discussions with different businesses in town on catering options and spoke with other people who hosted similar events. Ultimately, the Store Manager at Walmart stepped up in a big way and provided sack lunches (bagged sandwiches, chips and water) for all the golfers at cost. I was initially receiving quotes from businesses to cater the food for hundreds of dollars, but with the help from Walmart, we spent just over $50 for all the lunches. As each golfer passed by the clubhouse during their round of golf, they took a sack lunch and ate it on the go. This minimized people touching objects and eliminated people from crowding in the clubhouse. This worked out so well and cost effective, it’s something I would consider doing from here on out.

In years past, we’ve had donations for silent auction items and door prizes. However, due to the pandemic once again, I tried to limit the amount of people gathering in one place and touching the same objects, so no silent auction was held. All golfers received a Pork Open T-Shirt, just as they did in 2019. The T-Shirt idea has been a great change from door prizes in the past. Everyone is happy with the shirts and they’re getting the same value as everyone else. The T-Shirts were once again donated by Aaron Raap and Valley Plains Equipment, costing the Pork Open nothing. I also had several sponsors again, making a donation to have their company names printed on the back of the T-Shirts.

During the event, I conducted a 50/50 raffle and sold mulligans to any golfer who wished to purchase them for $5 each. These two options have also been very beneficial and fairly simple ways to raise funds with very little additional help needed.

Just like last year, the Pork Open paid for the cost of the golf carts. This is made possible by the donation of the T-Shirts. The registration fee was raised from $40 a person in 2019 to $50 a person. This was done to pay for the T-Shirts, but when the T-Shirts were donated, Hillcrest Golf Course was willing to rent the golf carts for what the T-Shirts would have cost ($10 per person). Though it's not raising more money for the event, it appears more golfers are happy and they're willing to spend more on other things, such as the 50/50 raffle and mulligans. It appears we've made the golfers happy and ultimately raises funds.

The Tournament proceeds went directly to the Pork Open account, which will benefit D.A.R.E. and other children's programs. It also allows the Police Department funds to purchase fun promotional items that Officers can give to children through their interactions with the public (stickers, pencils, pens, Police cups, etc.).

Though 2020 was a very challenging year for everyone and created difficulties for the tournament, I think we learned a lot once again. We learned some new ways of doing things, what works and what doesn't work. Though I would have loved for us to have at least 18 teams, we didn't even know whether we could have the event until just a couple months ahead of time. We also had some teams that wanted to play, but had other commitments that weekend. There were a couple teams that were also forced to drop out of the event the night before and day of due to some last minute conflicts. So even though we ended up with 15 teams, I strongly believe we would've had more teams any other year and are well positioned to do so in the years ahead.

Respectfully Submitted,

Sergeant Andrew Staska
