Ref: Jamestown Volunteer Firefighter's Annual Pancake Breakfast

As our state and country go through these trying times with COVID-19, and not knowing what changes will be made in the future. We have made the decision to cancel our 2020 Annual Pancake Breakfast that has been held at our main fire station for the past 10 years. Our department has served over 1,200 people in 5 hours in some years. We feel that it is in the best interest not to put the public at risk of the COVID-19 or the firefighters.

Our department thanks everyone that has attended and supported of department. We will be back next year stronger and ever to make pancakes for you all.

Thank you understanding, and see you all next year.
