Public Notice

City of Jamestown Water Department

Visual-Read Water Meters

March 1, 2021

Starting March 15, 2021 City Water Department employees will resume entering businesses and apartment buildings to obtain the water meter reading.

Due to the COVID-19 global pandemic and for the safety of city staff and the community, city staff will follow current local and North Dakota Department of Health and CDC guidelines, wearing the appropriate personal protective equipment, including masks and gloves.

If you have any question or concerns regarding this issue, contact City Hall at 701-252-5900 or utilities@jamestownnd.gov.

We appreciate your assistance and your understanding as we work together to keep our community and our city staff as healthy and safe as possible during this difficult time. Thank you.

Joe Rowell, Water Superintendent
Water Department
City of Jamestown, North Dakota
