Public Notice

The City of Jamestown plans to submit a Community Development Block Grant (CDBG) application to the State of North Dakota, Division of Community Services (DCS). CDBG funds are intended to provide decent housing, suitable living environments and economic opportunities, principally for very low and low income persons through rehabilitation and preservation, economic/job development and public facilities improvements.

The application being considered would request \$75,000 for Removal of Architectural Barriers in Park Bathrooms, approximately 100% of the funds would benefit very low and low income persons. Permanent involuntary displacement of neighborhood persons or businesses is not anticipated. Should it later become necessary to consider such displacement, alternatives will be examined to minimize the displacement. If no feasible alternatives exist, required/reasonable benefits will be provided to those displaced to mitigate adverse effects and hardships. Any very low and low income housing which is demolished or converted will be replaced.

A public hearing will be held at 5:00 PM on Tuesday, September 7, 2021, at the Jamestown City Hall, 102 3rd Ave SE, Jamestown, ND, to obtain citizen views and to respond to proposals and questions related to:

- The proposed CDBG application for Removal of Architectural Barriers in Park Bathrooms
- Community development and housing needs, including the needs of very low and low income persons, as well as other needs in the community that might be addressed through the CDBG program, and
- The performance of the City of Jamestown in carrying out its community development responsibilities.

Written comments are also welcome and must be received by 5:00 PM, September 7, 2021, at the City of Jamestown, 102 3rd Ave SE, Jamestown, ND 58401. Oral and

written comments will be considered in deciding whether to submit an application for the proposed project. Written summary information will be available at the Jamestown City Hall on August 21, 2021, until September 7, 2021, on any CDBG application(s) the City of Jamestown intends to submit to the state. A copy of the application(s) as submitted to the state will be available for public review at South Central Dakota Regional Council after September 17, 2021, 2021.
