

# Snow Plan for the City of Jamestown, North Dakota

November 14, 2008 (Revised 091809)

<u>Snow Event</u>	<u>Action</u>
Generally, more than 2"	Plowing on Emergency Snow Routes/drifted locations
Generally, more than 3"	Plowing and removal on "Downtown" Streets
Generally, more than 4"	"Full Plowing and Removal Plan"
Generally, more than 8" and/or extreme winds and/or multiple (accumulated) snow events	Full plowing and removal under a "Snow Emergency" declaration.

## Full Plowing and Removal Plan

The "Full Plowing and Removal Plan" will be initiated at discretion of City Street Foreman and/or the City Engineer. Under the "Full Plowing and Removal Plan" and lesser snow events, plowing and removal shall be accomplished from curb-to-curb.

### 1) Priority locations

- a) Main Fire Hall
- b) Snow Emergency Routes (as designated on attached map and by signs on ROW)
- c) Downtown and Business Routes
- d) City Hall parking lot
- e) Streets adjacent to Middle School

### 2) Secondary Locations

- a) Residential areas
- b) Alleys – for garbage collection (by Sanitation Dept.)
- c) Courthouse – snow collection and removal
- d) Streets adjacent to other Schools
- e) Civic Center parking lot
- f) City owned parking lots

## Snow Emergency Plan

The decision to declare a "Snow Emergency" to be in effect shall be at the discretion of the City Administrator in communication with the City Street Foreman and/or City Engineer. ***The City Administrator may also issue a "Snow Emergency Parking Ban" on all designated "Snow Emergency Routes" as necessary.***

Under "Emergency Snow Plan" the landfill loader will be brought into town to assist with emergency use for Police, Fire and Ambulance activity. All efforts will be made to keep the Emergency Snow Routes clear from curb-to-curb. In all other areas, including the downtown and residential areas, every attempt will be made to keep streets passable for emergency vehicle use.
