SURVEYOR'S CERTIFICATE

I, A. J. Lee, a Registered Professional Engineer, Hereby Certify that this plat is a true and correct representation of Rosemore's Addition, Jamestown, North Dakota, as surveyed and platted by me in accordance with the statutes of the State of North Dakota and ordinances of the City of Jamestown, North Dakota, in such case made and provided.

The land platted in said Rosemore's Addition to Jamestown, North Dakota, lays in the SE 1/4 of Section 36, T 140 N, R 64 W, and is more particularly described as follows, to wit: Beginning at a point located by going south from the NE corner of the SE 1/4 of said Section 36, along the east line of said Section 36 a distance of 1055 feet to the point of beginning, which is the center of the James River, thence south along the east line of said Section 36 a distance of 1010 feet to the intersection of the section line and the centerline of the James River, thence along the centerline of the James River as it runs downstream to the point of beginning, less that land sold to the State of North Dakota for Highway right-of-way, which is shown cross-hatched on the attached plat.

At the time of surveying and laying out of said Rosemore's Addition, the proprietors caused to be planted good and sufficient iron stakes in the corners of each lot as shown on the attached plat.
